RAW GROUP TRAINING ORGANISATION

RAW_{GTO} was specifically designed to provide Host employers and Aboriginal Job Seekers culturally safe employment opportunities across corporate Australia.

It is our objective to provide a culturally appropriate framework that succeeds within the commercially driven guidelines across industry that exist today.

It's not our objective to just facilitate an employment and training arrangement between the Host and a candidate. This is the systematic approach to Aboriginal affairs that has failed Aboriginal people for such a long time.

The secret to ensuring sustained outcomes is a cross culture approach delivered through our dedicated 24/7 mentors and selection of likeminded Host partners. 75% of the challenges we face in the workforce have been, or are directly contributed by impacts in our home environment. RAW_{GTO} recognises this and places a large emphasis on ensuring our candidates are supported at work and in their greater home environments.
